LL Cool J

LL COOL J: Hey, what's up everyone this is LL COOL J with the only movie tip you gonna need,
HALLOWEEN: H2O.

SFX: KNIFE SLASHING

LL COOL J: I know it's summer but Halloween is coming early this year with the dopest, illest and
scariest HALLOWEEN PIC yet. And I should know, I been a fan since the first one
scared the SFX/SCREAM outta me.

In this movie, check it out, I_m head of security at this quiet private school. Everything is
cool until this teacher brings her personal problems to work.

JAMIE LEE CURTIS: "I'm not who you think I am...my brother killed my sister"

SFX: DOOR SLAMS/KNIFE SLASH

LL COOL J: Then all hell busts loose.

JAMIE LEE CURTIS: "Oh, my God! Who is that?"

LL COOL J: Yo, is this family whack or what? My co-stars in this new flic are the very fine Jamie Lee
Curtis and oh-so-fly Michelle Williams from Dawson's Creek. Word, if this joint wasn't
cool, LL COOL J wouldn't be in it. And hey, come AUGUST 5th if you ain't terrified,
you in the wrong movie.
